We do encourage all patients to get your x-rays transferred to our office once we receive your x-rays Dr Schrupp will review and determine if you will need to be updated with any x-rays at your appointment.

****IF we DO NOT have x-rays in hand at the time of your appointment new ones will be taken
If we are billing insurance and we do not have any history of when your last x-rays were taken
new ones will be taken, we will bill your insurance, however if they do not cover the x-rays they
will be at the patients expense****
